

Request for Constructive Assistance

Once again, the undersigned has made a diligent effort to define the novel and unobvious structure comprising this invention. If, for any reason the claims of this application are not believed to be in full condition for allowance, the applicant respectfully appreciate the continued constructive assistance and suggestions of the Examiner in drafting one or more acceptable claims pursuant to MPEP 707.107(j) or in making constructive suggestions pursuant to MPEP 706.03(d) in order that this application can be placed in allowable condition as soon as possible and without the need for further proceedings.

Respectfully,

Daniel P. Sutula Jr.
